

## TUNGSTEN CARBIDE INSTRUMENTS

For Those Who Demand  
Security & Accuracy.

Tungsten carbide is one of the hardest alloys. We bond these Inserts into high quality GERMAN stainless steel for very special Reasons of the end users. We offer a wide range of instruments which includes Scissors , forceps and needle holders of all kinds made of GERMAN stainless steel.

Briefly, we strive to end up with quality, precision and Conformity to our buyers/specification and standard by All means. The process indeed involves complex machining operations, skill and experience.

Let us please secure your attention to serve you better.
